

PRODUCT DATA SHEET

Product Name:	Simple Solution Stain & Odour Remover - Dog - 750ml - Case of 4
Product Code:	90422-4p
Product UPC:	010279904220
Product Dimensions (h x w x d):	29 cm x 9.5 cm x 5.5 cm
Unit Weight:	750 ml
Case Dimensions (h x w x d):	30 cm x 24.5 cm x 10 cm
Units per case:	4
Case Net Weight:	3.51 kg
Country of Origin:	UK
Languages on Pack:	English

Product Description:

Simple Solution Stain & Odour Remover has a unique formula with Pro-Bacteria™ and enzymes that work together to break down, neutralize, and permanently eliminate stains and odours, while discouraging dogs and cats from making repeat “visits.” Effective on urine, faeces, and vomit, and safe to use on carpet, upholstery, or other water-safe surfaces in your home. Safe around children and pets when used as directed.

POWERFUL PRO-BACTERIA FORMULA: Effortlessly tackle the toughest pet stains and odours, with our advanced Pro-Bacteria and enzyme blend, ensuring a deep clean.

PREVENTS REPEAT MARKING: Not only does it clean, but it also deters pets from re-soiling, keeping your home spotless and fresh.

VERSATILE SURFACE COMPATIBILITY: From carpets and upholstery to bedding clothing, effectively remove pet messes from any water-safe surface with ease, for comprehensive cleaning wherever needed

FAMILY-FRIENDLY FORMULA: Protect your loved ones with a solution that’s tough on stains but gentle around children and pets, providing peace of mind alongside cleanliness.

COMPREHENSIVE ODOUR CONTROL: Tackle urine, faeces, and vomit odours head-on, leaving behind nothing but a clean, inviting space.

Directions:

Before use: Remove excess solid or liquid waste. Shake well and test for colourfastness on a hidden area. For wood flooring, please follow the supplier's recommendations. Not suitable for use on leather surfaces.

Directions for Use:

1 Saturate the soiled area. When treating carpet, cover 2X the size of the mess and be sure to saturate the carpet backing and underlay.

2 Wait 5 or more minutes for the enzymes and Pro-Bacteria™ to break down the organic proteins. Blot excess moisture with a colour-safe cloth.

3 Allow the area to completely dry for 24-48 hours, and then vacuum thoroughly. Once dry and the stain & odour has been eliminated, rinse with water and use a clean damp cloth to remove any residue.

If the area is dry but an odour persists, the odour source was not completely penetrated. Re-treat and be sure to completely saturate the soiled area to penetrate the odour source.

Carpet Cleaning Machines: Pretreat heavily soiled areas using the above directions. Add 120ml for every 4L of shampoo/water mix to enhance the machine's spot cleaning power.

Laundry Pre-Wash: Saturate the soiled area and leave for 5-10 minutes, then wash. For stains and odours on sealed wood, tile, brick, concrete and linoleum use Simple Solution Hardfloor Stain & Odour Remover.

Safety Advice:

In case of eye contact, flush thoroughly with water for 15 minutes and seek medical attention if irritation persists. Keep this and all cleaning products upright and out of reach of children and animals.

Ingredients:

Contains amongst other ingredients: Parfum, Hexyl Cinnamal, 2-Bromo-2-Nitropropane-1,3-Diol, Benzisothiazolinone.
